

Dear General Walters:

I am just a little guy, that enjoys being a history buff, and that led me into collecting everything relative to the "Watergate" period.

My collection included the following:

Autographed photographs of many of the people involved (one way or the other) ex: Alex Butterfield, Colson, Haldeman, Ehrlichman, Garment, Haig, Harlow, Kalmbach, Klein, Felt, McLaughlin, Larry O'Brien, Rebozo, St. Clair, Stein, Rose Mary Woods, Ziegler, Jaworski, Cabinet members (all but Kissinger) letters, signed by: John Dean, Judge Sirica, Sloan, Gordon Lindy (dated July 4th 1974) John Doar, Albert Jenner, Supreme Court Justices, House Judiciary members, 94 out of 100 Senators (I thought it would go to the Senate for a trial) 295 out of 435 House members, newspaper & magazine articles, books on the subject, memorabilia, etc. etc.

Your name as a witness was part of this historical period - would you be kind enough to send me a photo of your self signed (I got a beautiful color photo from Gen. (Robert E. Cushman, signed), or at least an autograph.

Your courtesy in this matter will be deeply appreciated, as I am trying to make this collection as complete as possible for historical purposes.

Thank you, Sincerely

John M. Hyatt
